Electronic Motor Brake Kit

Part #48773	220 volt (comes with enclosure)	Call for price
Part #48774	440 volt (comes with enclosure)	Call for price
Part #49095	220 volt (fits in control panel)	Call for price
Part #49096	440 volt (fits in control panel)	Call for price

This brake has no mechanical parts and is very simple to adjust. **It is a very important safety feature.** The brake will stop the blades very quickly as soon as a safety is tripped or a stop button depressed. The brake can mount in the control panel of your Model 60/75 Slicer or can be purchase with a custom enclosure.

This kit comes complete with installation instructions and diagrams.

We are s/l/i/c/e/d bread!
