

Double Wicket Bag Changer

Part # 50000 RH & 50002 LH BAG CHANGER

The Bettendorf Stanford Double Wicket Bag Changer allows for smooth, timely manual movement to move the bag holders right or left to ensure smooth bagging operation. The Bettendorf Stanford Double Wicket Bag Changer comes with bag table plates that are extendable for longer bags and two air jets for positive bag opening, and positive bag inflation.

This Kit comes complete with installation instructions.

We are s/l/i/c/e/d bread!
